

Marchex to Present at the Piper Jaffray Technology, Media & Telecommunications Conference

November 7, 2011

SEATTLE, Nov 07, 2011 (BUSINESS WIRE) --

Today, Marchex, Inc. (NASDAQ: MCHX) announced that Russell Horowitz, CEO, will participate in a panel at the following investor conference:

Piper Jaffray Technology, Media & Telecommunications Conference:

Date: Wednesday, November 9th

Time: 11:30am Eastern Time

Location: The Westin Times at Times Square, New York

About Marchex:

Marchex's mission is to unlock local commerce globally by helping advertisers reach customers through the phone when they are ready to buy.

Our performance-based call advertising products, Marchex Call Connect and Marchex Call Analytics, are reinventing how businesses acquire and upsell new customers through phone calls. Our award-winning Small Business Solutions products empower businesses to efficiently monitor their online presence, communicate with their customers, and acquire new ones. Every day, our products support hundreds of thousands of advertisers and partners, ranging from global enterprises to local businesses.
